

## UI / UX DESIGNER

### YOU ARE A PERFECT CANDIDATE IF:

- You speak fluent English + at least 1 additional language
- You want to start your career in a fast growing Travel IT start-up
- You can use design tools like Photoshop / Sketch / Invision
- You follow trends on UX/UI
- You have a great attention to details

### WHAT YOU ARE GOING TO DO:

- Create wireframes, mockups and prototypes for new apps
- Use benchmarking and market research to gain market trends and customer insights
- Create graphics and visuals for social media (posts, fb/instagram ads, google display), newsletters, articles etc.
- Seek opportunities for continuous improvement

### WHAT WE OFFER:

- Epic & cosy office in the centre of Warsaw - Krucza street, great coffee, great atmosphere.
- Flexible working hours. Early bird or Night Owl - we're cool with it!
- Experience in a fast growing international start-up
- Working hand in hand with the Co-founders. A great chance to receive mentoring, especially if you wish to run your own start-up in the future.
- You will feel the direct impact of your work on the company's growth

Send us your CV and explain why we should pick you
